‘Pop-In PD’ offers educators the opportunity to schedule a 15-minute mini-session directly with a DreamBox Professional Development Specialist.

Convenient, next day scheduling provides educators with targeted learning on relevant topics including program functionality, data & reporting, student engagement, and more.

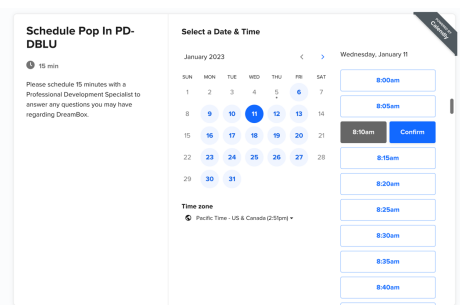

These one-on-one sessions work with educator’s limited schedules and can be utilized during planning periods, before, or after school.

Pop-In PD offers educators:

- Personal Agency
- Job-embedded PD
- Hands-on Engagement
- Targeted and Relevant Topics
- Timely Support
- Personalized Content
- Flexible Scheduling

Educators with access to the Pop-In PD service can schedule Pop-In PD sessions directly from their DreamBox educator dashboard.
